

NOAC 2018

Tuku'ut Lodge Interest Form

The National Order of the Arrow Conference or NOAC is held every two years normally at an university campus. NOAC is Scouting’s second-largest national event. In 2018, several thousand of Arrowmen from different lodges around the nation are expected to gather at Indiana University in Bloomington, Indiana to gather for program, shows, great classes and many other fun and exciting activities.

By filling out and turning in this interest form back to the lodge it will help us to gauge how many people are interested in attending this event. At this time National has not provided the final registration fee, this information will be announced after the National Jamboree during the first week of August 2017. Currently the lodge is requesting a \$100 deposit from all members committed on attending this event is due on September 15th, 2017. Due to OA National allotments our Lodge has a limited number of spot available for our arrowmen to attend. This form will be used to help the lodge selection committee determine which active Arrowmen with the Lodge will be able to attend.

Name: _____ Youth/ Adult: _____

E-Mail: _____ Phone: _____
